(Speaker Luedtke presiding)

SPEAKER LUEDTKE: Let's register our presence. Everybody register their presence so we can see if we've got a quorum. Senator Lamb will give us the necessary amount. Thanks to Senator Lamb we have a quorum. The Legislature.... Quorum is present, the Legislature come to order.

CLERK: Mr. President, an Attorney General's opinion addressed to Senator Martin Kahle will be inserted in the Journal and set out in full therein. Mr. President, a communication from the Executive Office under date of April 4, 1977. (Read communication found on page 1271 of the Journal concerning LB 111, 126, 230, 230A, 245, 311, 311A, 317, 362, 363, 401, 462, 473, 474, and 480). That is all, Mr. President.

SPEAKER LUEDTKE: We will proceed then with the agenda, item 8, Select File, beginning at the top of Select File with LB 302. Senator Murphy requests to lay this over for a few minutes, so we will momentarily.... Senator Brennan. We'll proceed then with....

CLERK: Mr. President, on LB 425, Senator Schmit has a unanimous consent request to bracket until April 11th.

SPEAKER LUEDTKE: Unanimous consent request to bracket until April 11th, LB 425. Is there any objection? If not, so ordered. Next LB 228. Senator Stoney.

CLERK: Mr. President, LB 228, the E & R amendments have been adopted. There was a request to bracket it till April 4th which was adopted. There is presently pending an amendment offered by Senator Stoney. It is found on page 1247 of the Journal.

SPEAKER LUEDTKE: Senator Stoney.

SENATOR STONEY: Yes, Mr. Speaker. Could you bear with me for a moment please. Mr. Speaker, members of the Legislature. I have an amendment to LB 228. As I advised earlier, there was one corrective amendment that I had been working with the Nebraska State Home Builders Association on. That is now confirmed and it's found in the Journal on page 1247. The amendment relates only to the election of trustees in an SID, and that would be those SID's that are primarily composed of vacation homes. The amendment, in no way, alters the original intent of the bill, or those amendments that we had adopted earlier that had been offered by the Douglas County Election Commissioners' Office. So it is basically a clarification amendment. The area in which it's now placed fits into the statute better than where it had been originally. I would move for the adoption of the amendment.

SPEAKER LUEDTKE: Any discussion on the Stoney amendment to LB 228? If not, all those in favor of adopting the Stoney amendment vote aye, opposed nay. Have you all voted? Let's not start the afternoon out with a Call of the House. Let's try to get here and vote. We had 25 people here just a moment ago. One more time, have you all voted? Senator Kahle, do you want to vote? I see Senator Lewis is coming in. You want to vote, Senator Kahle. Senator Brennan, are you going to vote on this matter? Record the vote.
